

AcademicFocus

One-stop Access to English Journals Published in China

»» (http://cstm.cnki.net)

Introduction

AcademicFocus, the only one-stop access platform in the world for China English journals, includes original English academic journals published in Mainland China, English content translated from top Chinese academic journals, proceedings of international conferences held in Mainland China, etc. It provides an English academic platform with top social science and STM achievements in China for overseas enterprises, universities & colleges, and academic research institutions.

The screenshot displays the AcademicFocus website interface with several annotations:

- Search Results:** Points to the search bar and the search results page.
- Screen by Publication Type:** Points to the 'Publication Type' filter on the left sidebar.
- Screen by Subjects:** Points to the 'Subjects' filter on the left sidebar.
- Topic Collection:** Points to the 'Collections By Topic' navigation tab.

The interface includes a navigation bar with 'Home', 'Collections By Topic', and 'Title Browse'. A search bar is located in the top right corner. The main content area shows search results for '521831 Results found', including a list of articles with details like author, keywords, and journal titles. A 'Feedback' form is visible in the bottom right corner.

Collections

● As on September 2017, AcademicFocus includes 262 E-Journals (250,000 articles) and 2366 proceeding papers. Most journals offer an archival access of 20 years back.

All contents fall into ten series:

- Mathematics/Physics/Mechanics/Astronomy,
- Chemistry/Metallurgy/Environment,
- Mine Industry,
- Architecture/Energy/Traffic/ Electromechanics,
- Agriculture, Medicine & Public Health,
- Electronic Technology & Information Science,
- Literature/History/Philosophy,
- Politics/ Military Affairs/Law,
- Education & Social Sciences,
- Economics & Management.

Features

● **Exclusive resources of superior disciplines:** nearly 140 journals (about 20 original English journals and over 120 translated journals) on China superior disciplines (including mathematics, biology, geology and mechanics) and exclusive English journals in China Studies, providing professional readers with Chinese academic viewpoints and scientific research findings beyond the reach of other common databases.

● **Humanities and social science:** collects the journals sponsored by top Chinese comprehensive universities and government think tanks like Chinese Academy of Social Sciences, and provides first-hand research materials about modern China studies, traditional

● Chinese culture and Chinese scholars' views on international issues.

Science and technology: AcademicFocus includes the journals sponsored by creativity-oriented institutions like Chinese Academy of Science, China Association for Science and Technology, and top universities of science and technology, helping readers to keep abreast of the cutting-edge Chinese fundamental researches, basic applied researches, and advanced engineering technologies.

● With professional editing and intelligent push, AcademicFocus will provide customized services and recommend related articles the readers need most, making research more effective and time-saving.
